

## Introducing the 2055 Retirement Strategy Fund

The 2055 Retirement Strategy Fund became available for member investments on January 4, 2010. The introduction of the 2055 fund comes a little more than one year after the Retirement Strategy Funds were added to the Plan 3 Self-Directed Investment Program lineup. Each Retirement Strategy Fund has a diversified mix of equities and bonds that automatically adjusts and rebalances as you move toward the day when you expect to begin drawing your money. The 2055 Retirement Strategy Fund is designed to address the needs of those who were born in 1988 or after.

The New Year is also a good time to assess whether any recent career or life plans mean you need to review your current retirement strategy. If you've experienced significant changes, or your target date for retirement has changed, and you're currently investing in a Retirement Strategy Fund, you may wish to consider moving to a new Retirement Strategy fund.

More information about the 2055 Retirement Strategy Fund is available on the DRS Web site at [www.drs.wa.gov](http://www.drs.wa.gov).

## 2009 Disbursements and Tax Reporting

If you received a distribution from your Plan 3 Defined Contribution Account in 2009, you will receive a Form 1099-R in the mail during the third week of January 2010. In addition to taxable distributions, rollovers to other retirement plans and IRAs are also reported to the Internal Revenue Service on Form 1099-R with a special code that indicates it is a rollover. If you have general questions about the Form 1099-R, please call Plan 3 Investor Services at 888-711-8773. You may also wish to consult with a professional tax advisor or review the IRS Publication 575, Pension and Annuity Income and IRS Publication 590, Individual Retirement Arrangements, available at [www.irs.gov](http://www.irs.gov).
